HOWALD
REF. 6131
SOUTH VILLAGE

In an exceptional living environment, at the foot of the future tramway line, the Unicorn real estate agency offers for sale the new VEFA South Village project.

An emblematic project in Howald, in the south-west of the capital, the apartments will take their place in a new urban lifestyle that will become a unique place for its multiple uses and its singular atmosphere, just like an urban village.

Part of a vast urban renovation project, the residences offer magnificent, bright apartments from studios to 3 bedrooms, extended by terraces or loggias. But also breathtaking views! Designed as a true place to live, the architectural complex is built around a central square that is well ventilated and provided with convivial and green spaces. An invitation to relax and stroll, facilitated by the creation of pedestrian walkways.

More than a new address, South Village is an ultra-connected living area with landscaped public spaces, offices, housing, a restaurant and shops.
